

Boyer Children's Clinic

Rising Stars Community Co-op Toddler Group (18-36 months)

Our groups are part of our inclusive community early childhood program where children of all abilities can learn and grow together. We provide a safe, caring environment for children ages 18 to 36 months. Instruction is individualized and tailored to each child's needs and unique skill sets as they are supported in learning and building social skills together while having fun!

Rising Stars Toddler Co-op Group includes twice weekly, 2 hour sessions consisting of group activity experiences in a structured setting including music time, free play, art, snack time, and playing in our big gym. Every other week, the theme and toys in the toddler groups change to facilitate curiosity and active exploration. Activities and materials are chosen to reflect the unique child interests and needs of each group.

At Boyer Children's Clinic, we believe:

- Every child is capable of learning, making friends, and developing independence
- Parents and the community are essential partners in the lifelong learning process
- Children learn social, self-help, pre-academic & communication skills through guided play
- Learning is the most meaningful when it is relevant and fun
- Our playgroups are a great stepping stone to preschool

Our Staff:

Each Rising Stars playgroup is staffed by a lead teacher and a teaching assistant. Frequently joining the group will be special educators and physical, occupational and speech-language therapists. All staff members hold a CPR and First Aid certification.

Parents are not required to participate but, are always welcome to observe or participate whenever they are able to do so. The caregivers accompanying the children with developmental delays will receive coaching relevant to the play and social goals set by the family to help support progress at home and in other settings.

Tuition:

Please see Tuition Rate Sheet for specific costs.

Families will receive a bill, on the 15th of every month, through our Raintree Electronic Records System. Tuition is accrued weekly, and families are billed for weeks that Boyer groups are in session.

Tuition supports classroom materials, operating expenses, and maintenance of adequate staffing.

**Tuition waivers are also available. Please contact Boyer to apply for a waiver.*

For More Information:

Rising Stars is open to children ages 18 months through 36 months. At 36 months, children qualifying for services with the public schools are strongly encouraged to participate in those programs. Children not receiving therapy services must exit the playgroup by the end of the month of the child's 3rd birthday. Families are welcome to visit the groups prior to enrolling. If you and your child are interested in enrolling or would like a tour of our Rising Stars Playgroups, please contact **Kimberly Kendall, Education Department Manager** at:
